NO CANTEEN this week
Unfortunately we do not have anyone who is able to run the canteen this week so please ensure that your child/ren have their lunch with them on Thursday.
Next week Kathy will be organising canteen (Kathy, please let the school know what you will be serving). Thanks.

Homework
Thank you to the students (and parents/carers) who returned their homework to school last week for marking. Please return homework each Friday morning.
Infants homework: As outlined in the students’ homework books.
Primary Homework: This week primary students will be completing Unit 15.
Times Tables Drill:
- Year 3 – x7 Tables
- Year 4 – x8 Tables
- Years 5&6 – x8 Tables

Young High School Linkages
The Young High School Linkages Program continues this Wednesday. Will enjoyed his first Graphics Technics lesson and looks forward to being able to construct a dragster!

District Athletics Carnival
The District Athletics Carnival was postponed last Friday due to poor weather. The carnival should be held tomorrow. If there is a further postponement it will be advertised over the radio at 7.30am.
Good luck to Will Gregory (Shotput, discus, long jump and YSS senior boys relay), Maddie Gembles (Jnr Girls 800m & 200m races and high jump), Anna Irish (11yrs girls high jump), Drew Eder (8yrs age race) and Angus Steenbergen (8yrs 100m race and YSS jnr boys relay) who will be attending the District Athletics Carnival being held tomorrow.

Cowra Eisteddfod
Parents should have received a note about the Cowra Eisteddfod. If you need another copy, please contact Angie in the office.
This has crept up really quickly – we will be heading to Cowra this Wednesday, 3rd June! Transport to and from the Cowra Eisteddfod will be by bus leaving from the Young Railway Station at 8am (please assemble at 7.50am so we can get away on time). The cost is $5 per person. Thank you to those families who have sent payment to the school.

Jump Rope for Heart
The students are experimenting with different skipping techniques and have become very accomplished with various skills. We look forward to sharing these with families on the last day of this term.
A sponsorship form for your child/children was sent home some time ago. Should you require more, please see Angie in the office.
We will be having a Jump Rope for Heart display on the last day of this term along with whole school assembly and Enrichment Day activities.

Maimuru School Open Day
Thanks so much to those parents who have distributed fliers advertising our Open Day and thank you to the parents who have volunteered to assist with the BBQ. We hope to get a good response on Friday 5th June! The itinerary is attached to this newsletter.

Maths Challenge – Young High School
Students in Years 5&6 will participate in the 2015 Mathematics Challenge for Young Australians being held at Young High School over Weeks 7-9 of this term – starting tomorrow - (Tuesday mornings from 8.50am to approximately 10.15am). We hope this will be a fun and rewarding experience for them!

Term 2 Enrichment Day and Whole School Assembly
We would like to finish the term off with a fun filled day of activities on Friday 26th June so we are planning another Enrichment Day and will include our second whole school assembly on the same day. Parents are asked to spare some time that day to attend and assist by running or helping other parents run sessions on the day. The sessions do not have to be too involved - just some fun things for the children to do.
This has almost become a tradition at Maimuru School and the children really do love having the sessions with parents.
If you can assist on the day, please indicate on the attached form and return it to the school as soon as you can. Thanks so much.

Microbats Program Continues
Last Term, Mikia Lewis from the Young District Landcare group, visited our school along with Mr Maurice Nicholson from Lachlan Valley Trees, to install a Microbat box in a tree at our school.
As an extension of this program, Mrs Lewis revisited the school to donate some lovely native plants for our school grounds which included a gum tree, some wattles, bottle brushes, grevilleas and melaleucas – ten plants in all. We are very grateful for this supply and expect that the grounds and garden will not only look even better, but we hope that the flowers of these plants will help feed the microbats in the area.

Work Experience
We have been informed that we will be having a work experience placement during Week 5, Term 2. We are really
We look forward to having your newsletter folders returned each Tuesday, thanks!

Looking forward to having Casey King join us for the week!
