Whole School Excursion – CHANGE OF DATES

As outlined last week our excursion is now being held on the new dates: Wednesday 16th and Thursday 17th September. We anticipate the cost to be below $200 and are yet to ascertain the P&C’s contribution which should also bring this down further. This will be discussed at the P&C meeting being held on 4th August.

So far we have 12 students, 2 preschoolers and 9 parents interested in attending this excursion. We ask that parents please return the expression of interest note so that we know whether or not you and/or your child/ren will be attending. Thanks so much.

Mathletics a WINNER

Congratulations to Vernon, Tyran and Matilda for achieving top maths results so far for 2015. They were very pleased to receive their Mathletics Student Awards and what a fantastic effort!

Parent/Teacher Interviews

Please find attached a schedule for Parent/Teacher interviews being held on Tuesday 11th August. Could parents please place their name and numbers 1, 2 and 3 for their preferred time or, if the date is not suitable, you can organise another time/day with your teacher. Thank you.

Public Speaking

The Primary students have been invited to Murringo Public School to be involved in Public Speaking on Mondays 10th and 24th August – more information when it becomes available!

Electrical Safety Stickers

Please find attached to the newsletter some stickers for the students which address safety around electricity. They are a great stimulus for discussion.

Earn and Learn Woolworths Promotion

Our school is once again taking part in Woolworths Earn & Learn community program. This year, they will be giving away more educational resources for Primary and Secondary schools all over Australia, including ours!
You can earn points for purchases over $10 (excluding the purchase of cigarettes, alcohol and gift cards). You will be given stickers to attach to the Sticker Card being sent home with this newsletter. All you need to do is complete as many sticker cards as possible and bring them to school (Woolies have given us a special collection box which is in the foyer of the Admin Building). There is also a box at Woolies for our school, so please encourage your family and friends to drop their stickers in our carton. At the end of the program, we can redeem our collection of points against a choice of more than 7,000 educational resources.

There’s no limit to the number of points we can collect, so your participation will really make a difference. The more points we earn, the more resources we can order!

Thanks so much to Jacinta Edgerton who is, once again, helping with collection and registering of our points.

Primary Home Readers
The P&C very kindly purchased home readers for the Primary classroom. Primary students have the opportunity to change home readers in class time.

Life Education Van Visit
The Life Education Van visit is just two weeks away. Cost for each child’s session in the van is $10. A permission note as well as the price list for Harold merchandise were attached to a newsletter last term as well as another last week to those from whom we are awaiting their return. Thanks so much.

Bookclub
Should you wish to make an order, please complete and return your orders TOMORROW. Thank you.
